- Note:**
- 1-Conduct interview based YES (6A1) for the routine vegetables like Karela, Bhindi, Arvi, Kia, Bangan, Khera, Tori, Petha on their maturity time.
 - 2-If area of a major crop (Wheat, Rice, Sugarcane, Maize, Cotton) is less than **24** kanal and minor crops less than **4** Kanal in a segment, then **DO NOT** conduct YES of the crop in that segment.
 - 3-Date mentioned in each cell is the common tentative **Start Date** of the survey. You can adjust according to the district.
 - 4-There is **NO NEED** of selection Frame for the vegetables/crops covered through Form-6A2 & Orchards through Form-6A1.
 - 5- Send Fortnightly Crop Situation Report as per routine.
